# Ashutosh Sahu Web developer

✉ ashusahu145@gmail.com     📞 9981237855     📍 PUNE INDIA, 411043     ➤ Portfolio

## Profile

Results-drive computer engineering graduate adept in full-stack development.Excels in problem-solving and project management, passionate about creating efficient and user-friendly web applications.

## Skills

C++ | Java | HTML | CSS | SCSS | Javascript | TypeScript | DSA | React JS | Node Js | Express Js | MongoDB
MySql | Tailwind CSS | GIT | Bootstrap | Problem Solving | Team Work | Task Prioritization | Collaboration
Time Management

## Projects

**Mern-auth** ☐                                                                                             Sep 2023 – Oct 2023
*Authentication App*

- MERN stack web app with React for the front end, Node.js and Express for the back end, and MongoDB for the database.Features user authentication with JWT for secure sign-up, login, logout, and access to protected routes. Ideal template for kickstarting full-stack projects.

**WeBlog** ☐                                                                                                      Jul 2023 – Jul 2023
*A blogging platform*
- Full-stack blog app with React for the front end, Node.js and Express for the backend, and MongoDB for the database. Enables users to create, update, and delete blogs. User-specific permissions for editing and deleting their own blogs. Enhanced with third-party packages for efficiency.

**SocioClub** ☐                                                                                                  Jun 2022 – Jul 2022
*Society Management Website*

- Django-based web app with Python, JavaScript, HTML, and CSS. Employed SQLite for the relational database and GIT for version control.

## Education

**Bharati Vidyapeeth (Deemed to be University) College of Engineering, Pune**                    2019 – 2023 | PUNE
*Bachelor of Technology in Computer Engineering*
  8.98 CGPA

**S.D.M Higher secondary School**                                                          Jul 2018 – Jun 2019 | Sarni
*Higher Secondary Certificate (11th-12th class)*
  8.3 CGPA

**St. Francis High Secondary School**                                                                       2017 | Sarni
*Standard Secondary Certificate (10th class)*
  8.8 CGPA

## Certificates

**Developing Applications with SQL, Databases, and Django** ☐ *(Worked with Django Framework)*

**Web Development** ☐ *(Worked on PHP)* | **Divide and Conquer, Sorting and Searching, and Randomized Algorithms** ☐

## Organisations

**ACES (Association of Computer Engineering Students)**                                      Mar 2022 – Oct 2022
  Technical team member
  Organizes Technical events within the college.

## Interests

Problem Solving, Music, Writing
